

Catholic Church Reform Int'l.
A global network seeking renewal of the Church

February 23, 2015

You are invited to respond to a Questionnaire about your experiences in the Catholic Church

If you had one opportunity to speak directly to Pope Francis and he was eager to get to know you and your family, what would you want to tell him? You actually have such an opportunity! We have developed this Questionnaire to open such a global feedback process prior to Francis' meeting with the world's bishops on the pastoral needs of families in Rome this October. Participating in this survey gets your viewpoint in front of them, helping bishops better understand the beauty, the challenges, and the heartaches of contemporary family life.

In light of the Synod Questionnaire being so unworkable, CCRI has made this user-friendly survey available to you. We will collect your responses and deliver a summary to the Synod Fathers. Because of the April 15 deadline set by the Synod, we urgently need you to [**complete this survey now**](#). Following in line with Pope Francis's instruction to the Bishops, be open and candid. Feel free to express your heartfelt experiences - for better or for worse - about the effectiveness of the church's pastoral care for families in all the diversities in which families live today.

Please [**complete the survey now**](#), post it on your websites, and pass it on to everyone you know - Catholics, former Catholics, other Christians, and people of other Faiths. Because this questionnaire is objective and non-directive, feel free to share it with your local pastors and bishops as well.

We have only a small window of time to complete this survey. Please make every effort to get this back to us as soon as possible but no later than March 9.

Living Poll coming soon

We will be following this soon with a Living Poll that will invite you to share how Church teachings have enhanced your lives, marriages, and families and how, if at all, Church teachings have caused you pain.
